Miley Cyrus's performance was too indecent for TV. It amazes me that a strip club is opening in Atlantic City, and the performers there will be forbidden to simulate sexual acts, but Miley Cyrus did just that on national TV.

Indecent performances by Miley Cyrus and Lady Gaga. Particularly the Miley Cyrus act. Children with my family viewing were 10 to 16 and the performance was intentionally sexual, indecent and profane. This performance appeared to be rehearsed and endorsed by MTV. Rating was TV 14 but it was not appropriate even for 16 year-old.

I don't want to have to be forced to pay for MTV showing Miley Cyrus rubbing her crotch with a foam finger. If people want to voluntarily pay for it that's their right, but I'm being forced to with these packages. It's not right we all have to pay for this garbage.

Oh and by the way, if someone says the Satellite companies are private and can do what they want, send them a bill from NASA for all the technology they're using paid for by the taxpayers of the United States, starting with the Mercury missions.

**Problem Description**

Miley Cyrus and Lady Gaga's raunchiest VMA moments

With a nude bikini and a foam finger, Miley Cyrus and Lady Gaga. These two singers were easily the most provocative performers at the MTV Video Music Awards on Aug. 25, 2013.

-----

This is not the first case in which this channel has misrepresented what was being shown, but I want it to be the last time.

-----

I do not want to pay for these networks, when I pay my cable bill. I would like to see measures in place where everyone has the option of not having channels that they do not wish to have in their house and not pay for them. I am asking that the FCC would force the networks to break up the packages that they sell to the consumers so they will only have to pay for channels that want in their household.

Let the consumer have the ability, using their checkbook to determine what is being shown on TV.

Thank You

This broadcast was made without any prior warning of adult content and obscenity. My ten year old daughter was watching with us as a singer she had previously admired and watched consistently on the Disney Channel twerked and gyrated and dry humped a foam finger in front of a live audience. As the producers and any governing standards and practises bodies chose not to put a fair warning at the head of the show, my daughter was compelled to bury her head under the covers. We were staying at a hotel on the last night of a family vacation and were watching live TV together. I was shocked and disgusted at the smutty performance of Miley Cyrus AKA Hannah Montana! Please censure the producers of this program.

Miley Syres did a performance with teddy bears, sticking he butt in a man face, making obscene, suggestive movements, resembling a porn show. It was very offensive, and upsetting at a time when children would be watching the show. MTV was also airing condom commercials. This was rated X, this was prime time, and suppose to be safe for children 14, and up. It was disgraceful and upsetting. It had children running to their parents, and parents jaws dropping. The want to see the FCC take action against them. CTR10

**Problem Description**

The show was labeled as suitable for viewers 14 years of age and older. In her performance, Miley is constantly paying attention to, pointing to and using a prop/touching on her genital area. There is also a simulated sex act with the partner she sings with. During the production, there is an almost constant reference to sex, both visually and in the suggestive lyrics of the song.

I am a school teacher. I cringe knowing that we have 8th grade girls in my school who saw this program, and I don't believe it was appropriate for any age except an adult or PPV channel.....certainly MTV saw the rehearsal, and I find it difficult to believe that they felt it was totally appropriate for CHILDREN ages 14-18. If this is allowed to pass, then WHAT'S NEXT??? If Miley wishes to perform in this fashion, that is her right as an adult, but the appropriate venue is the many strip clubs looking for dancers.....it is NOT to perform for CHILDREN. There is a time and a place for everything.....certainly this was NOT APPROPRIATE and those responsible should be held ACCOUNTABLE.

Since the original airing the extremely suggestive dance has been on the news and various other programs, not to mention that MTV has run the program in it's entirety several times during the day and night since the original airdate. Please investigate this program and fine them, if permitted. This has got to stop!

Here we are nearly a week has passed since that discusting display of profanity by Milly Cyrus and another unlady like woman. I fail to understand why the FCC is not criticizing MTV for airing such profanity on their VMA awards program. MTV should be severely fined for allowing profanity on the network. The VMA Awards promoters should be fined at an even greater rate than MTV for allowing such programing on the air, and Miss Milly Cyrus should be fined and jailed for performing such sexually provactive material on TV and being a family show being aired during the early evening hours. Of course I'm looking for an answer. I already know nothing will happen to any of these people, especially since our nation has become a truly Liberal Socialist nation now. But thanks anyway. It is a sad commentary on America when such filth is allowed into the air waves and our homes. Shame on anyone involved! I hope the FCC will levy a harsh penalty to everyone involved and perhaps deter any future violations.

**Problem Description**

Miley Cyrus (an actress/recording artist) twerked (danced a provocative booty dance) up against Robin Thicke's (a recording artist/actor) genitalia. Also, she groped a woman's posterior-without hesitation. In addition, she made very sexually suggestive gestures, using a giant foam-like "fanatic's finger", as if it was a phallus. She also used that object to rub Robin Thicke's genitalia. Music Television (MTV) rated the program TV-14. That program did not, in the least, meet the TV-14 criteria. I am a parent of school age kids and I want action taken against the network.

My family watched this show and was absolutely shocked and disgusted with the portion involving Miley Cyrus. Where were the controls for this type of pornographic exhibition, do we not have rules for TV viewing? I think that the executives for MTV should receive a fine and a harsh warning for this. They allowed it. My daughter's watched this and they found it extremely over the top. What kind of message are we sending to our viewers both as parents and children. I have never submitted a complaint to the FCC before and hope that something can be done to stop this type of behavior and "so called entertainment."

MTV Awards with Miley Cyrus

**Problem Description**

I believe it was the MTV Awards with Miley Cyrus. The show has gotten so vulgar and her act, along with other females, was just disgusting! And we have little girls and boys watching the show. It has gotten to the point of just absolute filth and these performers need to be fined millions for this filth!

**Problem Description**

Although the VMA's often push on the boundaries of behavior appropriate for family viewing, the Miley Cyrus/Robin Thicke performance this past Sunday night was disgraceful, indecent, obscene and vulgar.

Their performance, which included pantomiming sexual acts, should not be allowed on television.

I feel the performers, show producers, and the network should be condemned for glorifying this behavior.

Miley Cyrus and Robin Thicke gave a music performance that was sexist and racist: the subject matter of Thicke's song "Blurred Lines" promotes rape, and Cyrus's performance was both sexist, in that she was barely clothed and dancing submissively and vulgarly, as well as racist in that she was objectifying black women, using them as props for entertainment value.

**Problem Description**

I was signing in for an xray at the hospital this morning. No one was ahead of me, so I stepped right up to the reception area where they had me sit down and get insurance cards, etc. My children, ages 4 & 6 sat down in the waiting area directly behind me, watching tv. I was busy signing in, the tv was well above me, and I was not aware of what was on-just background noise and I was focused on signing in. When I finished and joined them, I saw the tail end of a segment they were watching and it had some obscene, pornographic clips from some award show the previous night. I was horrified that my children saw these images. They showed Lady Ga Ga and Miley Cyrus simulating sexual acts in minimal, provocative clothing.

**Problem Description**

I watched the VMA with my family and was surprised and disgusted to see Lady Gaga's outfits and how Miley Cyrus was dressed yet alone her performance gyrating and sexual gestures with that stupid foam finger with Robin Thicke who is old enough to be her father. I thought I was watching child porn!

My daughter was even surprised of Slutty Cyrus, Shame on MTV for allowing that kind of TRASH to be aired along with that tasteless condom commercial after every break.

What kind of example is Lady Gaga, Slutty Cyrus suppose to show young girls, is this the way how MTV wants to get there ratings are they that desperate?

I know MTV is known to push the envelope but this OUTRAGEOUS!

There has to be more censorship advising viewers before and during any programming deemed inappropriate and I think the FCC is not doing enough about it, maybe they are scared of networks like MTV because of the big money they donate!

I along with other parents will start a petition for more censorship and try to prevent TRASHY programming to be aired what is supposed to be entertaining.

Someone was sleeping @ the FCC to let that slip by.

I found Miley Cyrus's "performance" on the VMA Awards, (in which she simulated various sex acts as well as rubbing her genitals with her hands and other objects as well as simulating masturbation), in front of a live and television audience made up of mostly impressionable teens to be extremely lewd, perverted and disgusting. It bordered on bad pornography. I was deeply offended, disgusted and amazed that such filth would be allowed to be shown on prime time television.

This is the most disturbing and vile performance of any entertainer I have ever seen on television.

These so called performers wore the least amount of clothing and danced provocatively on the stage. It was very offending and violated everything that children should be watching. Why I say this is because, young adults with children (6-10 years of age) watching this exposes this behavior that it is alright to act and dress this way (especially Girls). To me it is not what I think the FCC should allow unless it is Pay per view or shown at a very later time, say 1:00 am in the morning. Please consider a fine to MTV and have them either tone down or cease their programming.

Singer Miley Cyrus performed an act on live TV during primetime that was offensive, obscene and appeared to appeal to the Pedophile audience. She was dressed as a toddler wearing pigtails, a onesy and a diaper, dancing with teddy bears and made numerous obscene gestures with her tongue, a large rubber hand and grinded her buttocks into a man's groin while bending over. She also touched the man's groin with the rubber hand. My family was horrified by this performance. The FCC has got to reign in the media. Enough is enough. This isn't the America that I knew. Please take appropriate action.

**Problem Description**

It is so disgusting that our tv has been allowed to reach such depths as to what went on with Miley Cyrus's obscene and x rated moves on the VMA show. Why is this allowed with so many children watching and parents thinking it would be a good family show. This type of entertainment has to be stopped, and the people and network responsible has to be fined a lot of money.

**Problem Description**

I am beyond being repulsed at the programing of MTV this week featuring Miley Cyrus and Lsdy Gaga in the Video Music Awards. This show was absolutely adult rated and in no way fitting for teens as young as 14. This was pure porn. It was disgusting and raunchy. There must be something done about this continued effort of the entertainment world's attempt to sexualize out teenagers. Question is will you do anything about it. I hardly think so. It must be stopped. Recently your agency made public your intentions to lax the restriction on what could be aired....more foul language and more sex. GOD HELP THIS NATION and those who desire to pump more filth into our living rooms. DO something and earn your pay.

**Problem Description**

I would like to complain about the act that was performed by Miley Cyrus specifically on the MTV Video Music Awards on Sunday, 8/25/13 at 9pm. Her performance as lewd and disgusting and should not have allowed to be shown on TV. Even people in the audience were shocked at her performance. This performance was intentionally planned to be lewd and shocking and should never have been allowed to be performed in front of a live audience on national TV. In her pre-performance interview she stated that she doesn't rehearse what she is going to do on the night of the performance. She just is a spur of the moment performer. I believe the FCC should be some kind of limitations on what is allowed for these live performances. Her actions were suggestive and pornographic and I am shocked and appalled that the FCC wasn't more involved to NOT ALLOW this kind of performance. Lady GAGA's performance was tame in comparison to Miley Cyrus. Miley Cyrus needs to be spanked and fined a great deal of money to punish her for her awful behavior. Shame on her and shame on the FCC for allowing this to take place.
